## Explanation of Responses:

1. These units will be converted into shares of common stock upon separation from service, death, disability, or certain specified events, all as defined in such plan.

2. Deferred Stock Plan: These units represent the grant of stock to the reporting person for payment of Directors' fees, and convert into shares of common stock on a 1 for 1 basis. If the participant so elects, dividends will also be converted into Deferred Stock Units.

3. Balance includes 3,645 previously unreported units accumulated through the reinvestment of dividends of the underlying stock into additional units.
