Placement Agent	Cohen & Steers Capital Advisors, LLC
Use of Proceeds	Our net proceeds from the sale of the shares of common stock, after deducting the placement agent fee and other expenses of this offering payable by us, are estimated to be approximately \$98.7 million, assuming a public offering price of \$16.93 per share. We intend to use all of the net proceeds from the offering to repay indebtedness outstanding under our Credit Facility, which had a blended interest rate of 4.0% on outstanding borrowings at March 31, 2008 and which matures on March 31, 2010. We generally use the funds from our Credit Facility for general corporate purposes, including the acquisition of healthcare-related properties and the funding of mortgage loans secured by healthcare-related properties.
Plan of Distribution:	

The fifth and sixth paragraphs under the heading "Plan of Distribution" on page 21 of the preliminary prospectus supplement are superseded by the paragraphs below:

Subject to the terms and conditions of purchase agreements dated May 1, 2008, certain investors, including an affiliate of Cohen & Steers Capital Advisors, LLC, have agreed to purchase, and we have agreed to sell, 5,906,674 shares of our common stock at a negotiated purchase price of \$16.93 per share. The purchase agreements provide that the obligations of the purchasers to purchase these shares included in this offering are subject to customary closing conditions. In negotiating the offering price per share of our common stock, we considered the dilution to our stockholders that will result from this offering.

Weeden & Co., LP is acting as settlement agent in connection with the sale of our common stock under the purchase agreements and will receive a fee of \$118,133. After paying this fee, the fee to the placement agent and other estimated expenses, we anticipate receiving approximately \$98,749,991 in net proceeds from this offering.

Capitalization:

Annex I restates the "Capitalization" section contained in our preliminary prospectus supplement dated April 30, 2008 in order to, among other things, reflect the number of shares offered, the public offering price set forth above and the application of the net proceeds as described under "Use of Proceeds" in the preliminary prospectus supplement.

CAPITALIZATION

The following table sets forth our capitalization as of March 31, 2008:

- On an actual basis;
- On a pro forma basis to reflect \$123 million of additional borrowings under our Credit Facility to fund the acquisition of seven SNFs, one assisted living facility and one rehabilitation hospital all in Ohio and to invest in a mortgage secured by eight SNFs in Maryland for affiliates of CommuniCare that closed on April 18, 2008.
- On a pro forma as adjusted basis to give effect to our sale of common stock in this offering at an offering price of \$16.93 per share and the application of the approximately \$98.7 million of net proceeds (after deducting placement fees and other expenses of this offering) to repay borrowings under our Credit Facility.

This table is only a summary and should be read together with, and is qualified in its entirety by reference to, our historical consolidated financial statements and notes thereto and the section entitled "Management's Discussion and Analysis of Financial Condition and Results of Operations" included in our Annual Report on Form 10-K for the year ended December 31, 2007 and our Quarterly Report on Form 10-Q for the quarter ended March 31, 2008, which are incorporated by reference herein. See "Incorporation of certain information by reference." Amounts are in thousands, except per share data.
