OMEGA HEALTHCARE INVESTORS, INC.
Common Stock

We have entered into separate equity distribution agreements with each of Credit Agricole Securities (USA) Inc., Deutsche Bank Securities Inc., Jefferies & Company, Inc., Merrill Lynch, Pierce, Fenner & Smith Incorporated, RBS Securities Inc., Stifel, Nicolaus & Company, Incorporated, and UBS Securities LLC, which we refer to individually as a "sales agent" and collectively as the "sales agents," relating to shares of our common stock, par value \$0.10 per share, offered by this prospectus supplement and the accompanying prospectus. In accordance with the terms of each equity distribution agreement, we may offer and sell shares of our common stock having an aggregate gross sales price of up to \$41,193,576 from time to time through or to the sales agents. The \$41,193,576 maximum offering amount is based on the approximate amount remaining under our 2010 equity distribution agreements for an aggregate gross sales amount of \$140,000,000 of common stock. Sales of the shares, if any, will be made by means of ordinary brokers' transactions on the New York Stock Exchange, or NYSE, or otherwise at market prices prevailing at the time of sale or negotiated transactions, or as otherwise agreed with the applicable sales agent. We will pay each sales agent compensation for sales of the shares equal to 2% of the gross sales price per share of shares sold through such sales agent under the applicable equity distribution agreement.

Under the terms of the equity distribution agreements, we also may sell shares to each of Credit Agricole Securities (USA) Inc., Deutsche Bank Securities Inc., Jefferies & Company, Inc., Merrill Lynch, Pierce, Fenner & Smith Incorporated, RBS Securities Inc., Stifel, Nicolaus & Company, Incorporated, and UBS Securities LLC, as principal for its own respective account, at a price agreed upon at the time of sale. If we sell shares to Credit Agricole Securities (USA) Inc., Deutsche Bank Securities Inc., Jefferies & Company, Inc., Merrill Lynch, Pierce, Fenner & Smith Incorporated, RBS Securities Inc., Stifel, Nicolaus & Company, Incorporated, and UBS Securities LLC, as principal, we will enter into a separate terms agreement with Credit Agricole Securities (USA) Inc., Deutsche Bank Securities Inc., Jefferies & Company, Inc., Merrill Lynch, Pierce, Fenner & Smith Incorporated, RBS Securities Inc., Stifel, Nicolaus & Company, Incorporated, and UBS Securities LLC, as applicable, setting forth the terms of such transaction, and we will describe the agreement in a separate prospectus supplement or pricing supplement.

No sales agent is required to sell any specific number or dollar amount of shares, but, subject to the terms and conditions of the equity distribution agreements and unless otherwise agreed by the sales agents and us, each sales agent will use its commercially reasonable efforts to sell the shares offered by this prospectus supplement and the accompanying prospectus as our agent. The offering of common stock pursuant to each equity distribution agreement will terminate upon the earlier of (i) the sale of all shares of common stock subject to the equity distribution agreements, or (ii) with respect to a particular equity distribution agreement, the termination of that equity distribution agreement by us or the applicable sales agent.

Our common stock is listed on the NYSE under the symbol "OHI." On March 12, 2012, the last reported sale price of our common stock on the NYSE was \$20.85 per share.

Investing in our common stock involves a high degree of risk. Before buying any shares of our common stock, you should read the discussion of material risks of investing in our common stock in “Risk factors” beginning on page S-4 of this prospectus supplement and on page 4 of the attached prospectus, in our Annual Report on Form 10-K for the fiscal year ended December 31, 2011, which is incorporated herein by reference, and any risk factors set forth in our other filings with the Securities and Exchange Commission, or the SEC, pursuant to Sections 13(a), 13(c), or 15(d) of the Securities Exchange Act of 1934, as amended, as they may be amended, updated or modified periodically in our reports filed with the SEC.

This summary does not contain all of the information that you should consider before making an investment decision. You should read carefully this entire prospectus supplement and the accompanying prospectus, including the risk factors discussed in this prospectus supplement, the accompanying prospectus and our Annual Report on Form 10-K for the fiscal year ended December 31, 2011, as they may be amended, updated or modified periodically in our reports filed with the SEC, and the financial data and related notes and the reports incorporated by reference in this prospectus supplement and the accompanying prospectus, before making an investment decision.

COMPANY OVERVIEW

We are a self-administered real estate investment trust, or REIT, investing in income-producing healthcare facilities, principally long-term care facilities, located in the United States. We provide lease or mortgage financing to qualified operators of skilled nursing facilities, which we refer to as SNFs, and, to a lesser extent, assisted living facilities, independent living facilities and rehabilitation and acute care facilities.

As of December 31, 2011, our portfolio of investments consisted of 438 healthcare facilities located in 35 states and operated by 51 third-party operators. We use the term "operator" to refer to our tenants and mortgagees and their affiliates who manage and/or operate our properties. This portfolio was made up of:

- 385 SNFs, 10 assisted living facilities and five specialty facilities;
- fixed rate mortgages on 32 long-term healthcare facilities; and
- six facilities and one parcel of land held-for-sale.

As of December 31, 2011, our gross investments in these facilities, net of impairments and before reserve for uncollectible loans, totaled approximately \$2.8 billion. In addition, we held miscellaneous investments of approximately \$53.0 million at December 31, 2011, consisting primarily of secured loans to third-party operators of our facilities.

RECENT DEVELOPMENTS

Offering of 5 7/8% Senior Notes Due 2024

On March 5, 2012, we launched the offering of our \$400 million aggregate principal amount of 5 7/8% Senior Notes due 2024, or the 2024 Notes, in a private placement, subject to market and other conditions. The offering is expected to close on March 19, 2012, subject to customary closing conditions. The 2024 Notes will be unconditionally guaranteed by our existing and future subsidiaries that guarantee our existing notes and senior unsecured revolving credit facility, or any other indebtedness of us or of our subsidiary guarantors.

We intend to use the net proceeds of the offering to fund the concurrent cash tender offer and consent solicitation for our outstanding \$175 million aggregate principal amount of 7% Senior Notes due 2016, and to repay a portion of our outstanding borrowings under our \$475 million unsecured revolving credit facility.

Tender Offer for 7% Senior Notes due 2016

On March 5, 2012, we commenced a cash tender offer to repurchase any and all of our \$175 million outstanding 7% Senior Notes due 2016, or the 2016 Notes. In connection with the tender offer, we commenced a solicitation of consents to amend the indenture governing the 2016 Notes to eliminate substantially all of the restrictive covenants and certain event of default provisions thereunder. The consent solicitation will expire at 5:00 p.m., New York City time, on March 16, 2012, unless extended. The tender offer will expire at 8:00 a.m., New York City time, on April 2, 2012, unless extended or earlier terminated.

These statements are based on information available on the date of this filing and only speak as to the date hereof and no obligation to update such forward-looking statements should be assumed. - those items discussed under “Risk factors” herein and under “Risk Factors” in Item 1A to our annual report on Form 10-K, as supplemented from time-to-time in Part II, Item 1A to our quarterly reports on Form 10-Q;
- uncertainties relating to the business operations of the operators of our assets, including those relating to reimbursement by third-party payors, regulatory matters and occupancy levels;

Except as required by law, we disclaim any obligation to update such statements or to publicly announce the result of any revisions to any of the forward-looking statements incorporated by reference in this prospectus supplement and the accompanying prospectus to reflect future events or developments.

Risk factors

An investment in our common stock involves risks. Our business, financial condition and results of operations could be materially adversely affected by any of these risks. The trading price of our common stock could decline due to any of these risks, and you may lose all or part of your investment. Before you decide to invest in our common stock, you should carefully consider the risks described below and in our Annual Report on Form 10-K for the fiscal year ended December 31, 2011, and in our subsequent reports on Form 10-Q, as such risks may be amended, updated or modified periodically in our reports filed with the SEC, as well as the other information included in and incorporated by reference in this prospectus supplement and the accompanying prospectus.

The market value of our common stock could be substantially affected by various factors.

Market volatility may adversely affect the market price of our common stock. As with other publically traded securities, the share price of our common stock depends on many factors, which may change from time to time, including:

- the market for similar securities issued by REITs;
- changes in estimates by analysts;
- our ability to meet analysts' estimates;
- prevailing interest rates;
- our credit rating;
- general economic and market conditions; and
- our financial condition, performance and prospects.

Our issuance of additional capital stock, warrants or debt securities, whether or not convertible, may reduce the market price for our outstanding securities, including our common stock, and dilute the ownership interests of existing stockholders.

We cannot predict the effect, if any, that future sales of our capital stock, warrants or debt securities, including pursuant to the equity distribution agreements, or the availability of our securities for future sale, will have on the market price of our securities, including our common stock. Sales of substantial amounts of our common stock or preferred shares, warrants or debt securities convertible into or exercisable or exchangeable for common stock in the public market, or the perception that such sales might occur, could negatively impact the market price of our common stock and the terms upon which we may obtain additional equity financing in the future. The issuance of any additional shares of our common stock or securities convertible into or exchangeable for common stock or that represent the right to receive common stock, or the exercise of such securities, could be substantially dilutive to holders of our common stock, including purchasers of common stock in this offering.

In addition, we may issue additional capital stock in the future to raise capital or as a result of the following:

- the issuance and exercise of options to purchase our common stock or other equity awards under remuneration plans (we may also issue equity to our employees in lieu of cash bonuses or to our directors in lieu of director's fees);
- the issuance of shares pursuant to our dividend reinvestment and direct stock purchase plan;
- the issuance of debt securities exchangeable for our common stock;
- the exercise of warrants we may issue in the future;
- lenders sometimes ask for warrants or other rights to acquire shares in connection with providing financing, and we cannot assure you that our lenders will not request such rights; and
- the sales of securities convertible into our common stock could dilute the interests of existing common stockholders.

There are no assurances of our ability to pay dividends in the future.

Our ability to pay dividends may be adversely affected if any of the risks described herein were to occur. Our payment of dividends is subject to compliance with restrictions contained in our credit agreements, the indentures governing our senior notes and our preferred stock. All dividends will be paid at the discretion of our Board of Directors and will depend upon our earnings, our financial condition, maintenance of our REIT status and such other factors as our Board of Directors may deem relevant from time to time. There are no assurances of our ability to pay dividends in the future. In addition, our dividends in the past have included, and may in the future include, a return of capital.

Legislative or regulatory action could adversely affect purchasers of our common stock.

In recent years, numerous legislative, judicial and administrative changes have been made in the provisions of the federal income tax laws applicable to investments similar to an investment in our common stock. Changes are likely to continue to occur in the future, and we cannot assure you that any of these changes will not adversely affect our stockholder's stock. Any of these changes could have an adverse effect on an investment in our common stock or on market value or resale potential of our common stock. Stockholders are urged to consult with their own tax advisor with respect to the impact that recent legislation may have on their investment and the status of legislative, regulatory or administrative developments and proposals and their potential effect on their investment in our common stock.

Use of proceeds

We intend to use the net proceeds from the sale of the shares that we may offer under this prospectus supplement and the accompanying prospectus, after deducting commissions and estimated offering expenses, for working capital and general corporate purposes.

Pending the application of such proceeds, we intend to invest the proceeds in short-term, interest bearing, investment-grade marketable securities or money market obligations.

Plan of distribution

We have entered into separate equity distribution agreements with each of Credit Agricole Securities (USA) Inc., Deutsche Bank Securities Inc., Jefferies & Company, Inc., Merrill Lynch, Pierce, Fenner & Smith Incorporated, RBS Securities Inc., Stifel, Nicolaus & Company, Incorporated, and UBS Securities LLC, which we refer to individually as a “sales agent” and collectively as the “sales agents,” relating to shares of our common stock, par value \$0.10 per share, offered by this prospectus supplement and the accompanying prospectus. Pursuant to the terms of each equity distribution agreement, we may offer and sell the shares offered by this prospectus supplement from time to time through or to the sales agents. Sales of the shares, if any, will be made by means of ordinary brokers' transactions on the NYSE or otherwise at market prices prevailing at the time of sale or negotiated transactions or as otherwise agreed with the applicable sales agent. Our sales agents will not engage in any transactions that stabilize the price of our common stock. No more than one of the sales agents will sell shares on the same day. The actual number of shares issued pursuant to the equity distribution agreements may be limited as a result of our available authorized, unissued and unreserved shares of our common stock.

Each sales agent will offer shares of our common stock on a daily basis or as otherwise agreed upon by us and the applicable sales agent. We will designate the minimum price per share at which the shares may be sold and the maximum amount of shares of common stock to be sold through each sales agent. Subject to the terms and conditions of the applicable equity distribution agreement, each sales agent has agreed to use its commercially reasonable efforts to sell, on our behalf, all of the designated shares of common stock. We or the applicable sales agent may suspend the offering of shares of common stock being made through such sales agent under the applicable equity distribution agreement upon proper notice to the other party. We may instruct any sales agent not to sell shares of common stock if the sales cannot be effected at or above the price designated by us.

We will pay each sales agent compensation for sales of the shares equal to 2% of the gross sales price per share of shares sold through such sales agent under the applicable equity distribution agreement. The remaining sales proceeds, after deducting any expenses payable by us and any transaction fees imposed by any governmental or self-regulatory organization in connection with the sales, will equal our net proceeds from the sale of the shares that we may offer under this prospectus supplement and the accompanying prospectus. We have agreed to reimburse our sales agents for certain of their expenses in certain circumstances.

Settlement for sales of our common stock will occur, unless we and the applicable sales agent agree otherwise, on the third business day following the date on which any sales were made in return for payment of the net proceeds to us. There is no arrangement for funds to be received in an escrow, trust or similar arrangement.

We will deliver to the NYSE copies of this prospectus supplement and the accompanying prospectus pursuant to the rules of the NYSE. Unless otherwise required, we will report at least quarterly the number of shares of common stock sold through the sales agents under the equity distribution agreements, the net proceeds to us and the compensation paid by us to the sales agents in connection with such sales of shares of common stock.

Under the terms of the equity distribution agreements, we also may sell shares to each of Credit Agricole Securities (USA) Inc., Deutsche Bank Securities Inc., Jefferies & Company, Inc., Merrill Lynch, Pierce, Fenner & Smith Incorporated, RBS Securities Inc., Stifel, Nicolaus & Company, Incorporated, and UBS Securities LLC, as principal for its own respective account, at a price agreed upon at the time of sale. If we sell shares to Credit Agricole Securities (USA) Inc., Deutsche Bank Securities Inc., Jefferies & Company, Inc., Merrill Lynch, Pierce, Fenner & Smith Incorporated, RBS Securities Inc., Stifel, Nicolaus & Company, Incorporated, and UBS Securities LLC, as principal, we will enter into a separate terms agreement with Merrill Lynch, Pierce, Fenner & Smith Incorporated, or Stifel, Nicolaus & Company, Incorporated, as applicable, setting forth the terms of such transaction, and we will describe the agreement in a separate prospectus supplement or pricing supplement.

In connection with the sale of the common stock on our behalf, each of the sales agents may be deemed to be an “underwriter” within the meaning of the Securities Act and the compensation paid to each of the sales agents may be deemed to be underwriting commissions or discounts. We have agreed in the equity distribution agreements to provide indemnification and contribution to each of the sales agents against certain civil liabilities, including liabilities under the Securities Act. The sales agents may engage in transactions with, or perform other services for, us in the ordinary course of business.

If any sales agent or we have reason to believe that our common stock is no longer an “actively-traded security” as defined under Rule 101(c)(1) of Regulation M under the Exchange Act, that party will promptly notify the other parties and sales of common stock under the equity distribution agreements and any terms agreement will be suspended until that or other exemptive provisions have been satisfied in the judgment of the sales agents and us.

In compliance with the guidelines of the Financial Industry Regulatory Authority, Inc., or FINRA, the maximum discount or commission to be received by any FINRA member or independent broker-dealer may not exceed 8% of the aggregate gross sales price of the securities that we may offer under this prospectus supplement and the accompanying prospectus.

The offering of common stock pursuant to each equity distribution agreement will terminate upon the earlier of (1) the sale of all shares of common stock subject to the equity distribution agreements, or (ii) with respect to a particular equity distribution agreement, the termination of that equity distribution agreement by us and/or the applicable sales agent.

The sales agents or affiliates or their predecessors have, from time to time, provided commercial banking, investment banking and other financial advisory services to us, for which they have received customary fees. Affiliates of Credit Agricole Securities (USA) Inc., Deutsche Bank Securities Inc., Jefferies & Company, Inc., Merrill Lynch, Pierce, Fenner & Smith Incorporated, RBS Securities Inc., Stifel, Nicolaus & Company, Incorporated, and UBS Securities LLC, are lenders under our existing credit facility.
